

LECOM School of Pharmacy
Early Acceptance Program

Provided through an
AFFILIATION AGREEMENT
With
Penn State Lehigh Valley

1. Article I: Introduction

- 1.1 Parties.** This Affiliation Agreement (Agreement) is made by and between Penn State Lehigh Valley located at 2809 Saucon Valley Rd, Center Valley, PA 18034 and the Lake Erie College of Osteopathic Medicine (LECOM) located at 1858 West Grandview Blvd., Erie, Pennsylvania 16509.
- 1.2 Relationship of Parties.** The relationship between the parties to this Agreement and to each other is that of independent contractors. In performance of services, duties and obligations under this Agreement, LECOM and Penn State Lehigh Valley shall be, and at all times are acting and performing as independent contractors and nothing contained herein is intended to, nor will it create the relationship of partnership, joint venture, agency, or employment between LECOM and Penn State Lehigh Valley, or their respective officers, trustees, directors, servants, employees or staff.
- 1.3 Purpose.** The purpose of the Agreement is to establish an affiliation between the institutions whereby the parties will define the criteria for Penn State Lehigh Valley students to become eligible for early acceptance into LECOM's School of Pharmacy; leading to the Doctor of Pharmacy degree, Pharm. D.
- 1.4 Consideration.** The parties execute this Agreement in consideration of their mutual objective to establish an Early Acceptance Program (EAP), and for other good and valuable consideration the receipt and sufficiency of which is hereby acknowledged and agreed to by the parties.
- 1.5 Early Acceptance Program.** This Agreement establishes an EAP to which Penn State Lehigh Valley undergraduate students are enrolled simultaneously by Penn State Lehigh Valley and by LECOM as participants in the EAP. The EAP is designed to facilitate the admission of Penn State Lehigh Valley students into LECOM's Doctor of Pharmacy program. LECOM will interview qualified students prior to their enrollment at Penn State Lehigh Valley or within the first two years of study at Penn State Lehigh Valley.

Students interviewing successfully will be offered a provisional acceptance to LECOM's Doctor of Pharmacy program. Upon meeting the criteria for final acceptance, they will matriculate at the LECOM campus of their choice.

Because this is a demanding professional program, the requirements listed for acceptance have been established to demonstrate that the student is capable of handling the rigorous course load.

1.6 Representatives. Each party shall designate a representative responsible for expediting and directing applications and admissions to the EAP.

1.6.1 Penn State Lehigh Valley designates its Brenna E. Traver, PhD to be its representative (the Representative) to the EAP. The Representative may be changed by Penn State Lehigh Valley in its sole discretion.

1.6.2 LECOM designates Dustin Cassell or the Office of Student Affairs to be its representative to the EAP.

1.6.3 In the event a party changes representative, it shall notify the other of the change in writing as soon as practical.

2. Article II: Program Considerations

2.1 Phases. The EAP is comprised of two phases. Phase I is defined as the years of undergraduate education while at Penn State Lehigh Valley. Phase II consists of the pharmacy school education while at LECOM and its associated clinical training sites.

2.2 Tracks. The EAP offers three tracks:

2.2.1 The "4+" track is the recommended track for most students. It is comprised of two phases. Phase I consists of the years of undergraduate education, ideally four, at Penn State Lehigh Valley. Phase II consists of three years of pharmacy school education at LECOM's Erie campus or four years of pharmacy school education at the Bradenton campus and their associated clinical training sites.

2.2.1.1 Students receiving a degree in less than four years would be included in this Track.

2.2.2 The "2+" track is available to the exceptional student who has the maturity and intellectual capability to enter a professional school after completing only two years of undergraduate study. Phase I consists of two years of undergraduate education at Penn State Lehigh Valley. Phase II consists of three years of pharmacy school education at LECOM's Erie campus or four years of pharmacy school

education at the Bradenton campus and their associated clinical training sites.

2.2.2.1 No undergraduate degree will be awarded.

2.3 Enrollment. All applicants who are U.S. citizens or lawful permanent residents, have met Penn State Lehigh Valley entrance requirements, who will be or are currently full time students at Penn State Lehigh Valley and meet or exceed the minimum Admissions Criteria listed in the LECOM EAP Student Policy Manual (LESPM), are eligible to enroll in Phase I of the EAP.

2.3.4 Penn State Lehigh Valley may establish its own supplemental application to determine participation in the LECOM EAP.

2.3.5 An applicant is considered to be officially enrolled in the EAP as of the date shown on the provisional letter of acceptance.

2.3.6 Penn State Lehigh Valley retains the right to dismiss students from the EAP for academic or disciplinary reasons, in accordance with Penn State Lehigh Valley guidelines.

2.4 Number of Students Accepted. Each academic year, a maximum combined total (Bradenton campus and Erie campus) of five (5) students will be accepted by LECOM into Phase II from Penn State Lehigh Valley's EAP.

2.4.1 To allow for attrition from the time of EAP enrollment until LECOM matriculation, up to 10 Penn State Lehigh Valley with the same year of LECOM matriculation may be enrolled in Phase I of the EAP. Should more than five of the 10 enrolled students meet the final acceptance criteria, LECOM will permit them to matriculate.

2.4.2 Penn State Lehigh Valley and LECOM reserve the right to limit the number of students enrolled in this EAP.

2.4.3 LECOM reserves the right to amend this agreement to either increase or decrease the number of students accepted for LECOM matriculation each academic year.

2.4.3.1 The decision to increase the number of EAP students accepted for LECOM matriculation will be based upon seat availability at LECOM and a demonstrated need by Penn State Lehigh Valley to ensure that more students may advance to Phase II of the EAP.

2.4.3.2 A decrease in the number of EAP students accepted for LECOM matriculation will be based upon seat availability at LECOM.

2.5 **Penn State Lehigh Valley / LECOM Responsibility.** Subject to Family Educational Rights and Privacy Act (FERPA) guidelines, consultation and communication on program evaluations and student progress should be maintained by Penn State Lehigh Valley's Representative and by LECOM's Office of Student Affairs.

2.5.1 LECOM will provide the Representative and Penn State Lehigh Valley Admissions office with a copy of the LESPM prior to the start of a new EAP interview cycle.

2.5.2 At the EAP interview, LECOM will provide each applicant with a copy of the LESPM.

2.5.3 LECOM will provide Penn State Lehigh Valley's Representative and Admissions office with the name and contact information of any high school applicant that has completed an EAP inquiry and listed Penn State Lehigh Valley as a school to which they may apply.

2.5.3.1 LECOM will notify Penn State Lehigh Valley whenever a change of the applicant's EAP status occurs.

2.5.4 LECOM will provide the Representative with the EAP interview status of all Penn State Lehigh Valley's students who have applied to enroll in the EAP within two weeks of their interview.

2.5.5 All interviews will be conducted by LECOM and must be in-person; either on a LECOM campus or at an off campus location designated by LECOM. Videoconferencing and phone interviews are not acceptable. No additional interview will be required prior to entering Phase II.

2.5.6 Following the successful LECOM interview, Penn State Lehigh Valley must approve the Phase I participation of each

applicant that will matriculate or is matriculated at Penn State Lehigh Valley.

2.5.7 LECOM will provide the Representative with a copy of the student's provisional letter of acceptance and signed Record Release Form.

2.5.8 LECOM will conditionally reserve a seat for all Penn State Lehigh Valley students with a provisional letter of acceptance.

2.5.9 The Representative will provide counseling to students and evaluate students' performance in accordance with the requirements as stated herein.

2.5.9.1 Subject to FERPA guidelines, the Representative will notify LECOM if a student has been subject to any academic or disciplinary action taken by Penn State Lehigh Valley

2.5.10 LECOM will calculate and review the Cumulative Overall GPA and the Cumulative Science GPA in February and July of each year.

2.5.11 While Penn State Lehigh Valley and LECOM will exercise reasonable care and diligence in the advisement of students concerning requirements for admission to Phase I or Phase II, failure of a student to comply with any of the requirements for admission to Phase I or Phase II shall not be deemed a breach of this Agreement by Penn State Lehigh Valley or LECOM and Penn State Lehigh Valley or LECOM shall have no liability as a result of a student's failure to comply with such requirements

2.5.12 LECOM will advise the Representative if a Penn State Lehigh Valley student is in danger of being removed from the EAP for any reason and consult with the Representative prior to removing such Penn State Lehigh Valley student; provided however, that LECOM shall retain final discretion to remove any such student from the EAP.

2.5.13 Penn State Lehigh Valley will provide a LECOM recruiter with the opportunity to meet with EAP enrolled and students not enrolled in the EAP to discuss LECOM's programs.

2.5.14 LECOM will provide Penn State Lehigh Valley's Admissions and the Representative literature supporting the EAP and, if requested, one visit per year by a LECOM representative.

2.6 **Annual Reviews.** An annual review of the EAP will be conducted jointly by the parties to this Agreement. This review will include:

2.6.1 A review of enrolled students' performance and progress;

The new requirements will apply to all other students and applicants. If a LECOM admission requirement is reduced or removed by an amendment, the change will immediately apply to all currently enrolled students and new enrollees.

4.3.3 Any amendments made to the pre-pharmacy program requirements at Penn State Lehigh Valley affecting an enrolled student must comply with LECOM's minimum requirements as listed in the LESPM.

4.3.4 In the event that such amendment(s) may occur, the amending party shall notify the other of any change(s) prior to January 1st of the academic year in which the change(s) first apply.
