

Articulation Agreement
Between
Pennsylvania College of Technology and
The Pennsylvania State University

I. PURPOSE

This agreement between Penn College of Technology and Penn State establishes a mechanism for graduates of Penn State's Associate of Science degree in Radiological Science to complete requirements for Penn College's Bachelor of Science degree in Applied Health Studies.

II. GOALS

1. To provide a well defined mechanism for graduates of Penn State's Radiological Science Program (delivered at New Kensington and Schuylkill campuses) to acquire a Baccalaureate Degree in Applied Health Studies without loss of academic credit.
2. To recruit Associate Degree Radiographers whose career goals include acquisition of a Baccalaureate Degree in Applied Health Studies.

III. GENERAL EDUCATION REQUIRED CORE

PA COLLEGE OF TECHNOLOGY
General Education Requirements

PENN STATE
General Education Equivalents

Communications (9 credits)

ENL 111

ENL 201

SPC course

ENGL 15

ENGL 202C

CAS 100

Mathematics (6 credits)

See attached list

Science (7 credits)

BIOL 129

BIOL 141

Humanities (3 credits)

PHIL 103

Social Sciences (3 credits)

See attached list

Art (3 credits)

See attached list

Humanities, Social Science, Art,
or Language (6 credits)

See attached list

Liberal Arts (3 credits)

See attached list

Fitness (2 credit)

See attached list

Computer Science (3 credits)

CMPS 100

III. GENERAL EDUCATION REQUIRED CORE (CONTINUED)

Student Open Electives (6 credits) See attached list

TOTAL: 51 credits

Satisfied 22 credits. Remaining 29 credits.

IV. ARTICULATED PROFESSIONAL CORE

A total of 47 credits will be transferred from the Associate Degree for satisfactory completion of the Radiography courses, graduation from the accredited program, and the national registry [R.T.(R)]. All coursework must be completed with a grade of "C" or higher to be considered for transfer.

V. BACHELOR OF SCIENCE APPLIED HEALTH STUDIES REQUIRED CORE AND ELECTIVES (29-30 credits)

HTH 310	Health Issues and Transitions*	3 credits
HTH 325	Health Care Delivery Systems	3 credits
HTH 330	Medical Ethics	2 credits
HTH 447	Health and Human Services	3 credits
	Public Policy Development	
	OR	
HTH 448	Health Care Public Policy Development	4 credits
HTH 495	Applied Health Studies Capstone	3 credits

14-15 credits

Except where "OR" is noted, all of the above courses are to be completed for this degree.

*HTH 310 has designation as writing enriched, cultural diversity, and science, technology and society. This is a non-transferable course.

A total of 15 elective credits, selected from an approved list, must be completed. Of the 15 credits, a minimum of 10 credits must be at the 300-400 level.

Of the final 60 credits, 36 credits must be earned with Pennsylvania College of Technology courses.

This Articulation Agreement between the Associate in Science program in Radiological Sciences Penn State and the Bachelor of Science in Applied Health Studies program at Pennsylvania College of Technology has been reviewed and approved. A representative from each institution will inform the other party of any curriculum changes, which will then be reviewed to re-establish this Agreement.
